

Dear Northwest Houston Music Educator,

The Texas Master Chorale is dedicated to promoting educational opportunities for young musicians. With this 2019-20 concert season, through generous donations from members and music supporters, TMC is continuing the Future Music Major Scholarship Program for students enrolled as music education majors (vocal or instrumental). Three separate scholarships of \$2500 each will be offered.

Student applicants need to:

- 1) go to the website - <https://www.texasmasterchorale.org/scholarship> to review the criteria and complete the application form. (If an applicant is unable to complete the form online, call 281-731-0027 or 281-796-0508 for further instructions.)
- 2) submit an essay stating their musical goals and explaining how the scholarship will help them further their goals.
- 3) provide two faculty member letters of recommendation, one of which must be music faculty.
- 4) meet the deadline of March 1, 2020 with all of the above submitted online via instructions on the TMC website.

Please pass this information along to graduating seniors that plan to major in music education.

We appreciate your help in getting the word out about this exciting financial opportunity for our future music educators.

Sincerely,

Sherry Miller and Donna White

Scholarship Co- Chairs
